PROFESSIONAL SUMMARY

I am a knowledgeable, hard-working, dependable software development graduate with excellent communication skills and a team oriented yet competitive personality. I have a well-developed ability to work under pressure, and successfully meet time sensitive criteria.

As a recent graduate of the University of South Australia, I am looking for the opportunity to enter the software development industry and prove myself as a software engineer.

PRIMARY SKILLS

- Next.js & React
- TypeScript & JavaScript
- SQL (MS, Oracle, Lite, Postgres)
- .NET Framework
- C++
- HTML/CSS (Tailwind, Bootstrap)

EDUCATION

Bachelor of Information Technology (Software Development): Awarded 10/2023

University of South Australia – Mawson Lakes Campus, South Australia

Key Achievements

- Received Chancellor's Letter of Commendation for 2020 (Top 5% of students).
- Received Golden Key International Honour Society Membership.
- Merit Award for Outstanding Performance 2021
- Merit Award for Outstanding Performance 2022

Associate Degree of Arts: Awarded 09/2018

Flinders University – Bedford Park, Adelaide, South Australia

Primary fields of study: Business and Behavioural Science.

Flinders Foundation Studies Program: Awarded 11/2012

Flinders University – Bedford Park, Adelaide, South Australia

Introduction to university study including courses in English and mathematics.

TAFE SA – Adelaide CBD & Noarlunga, Adelaide

Primarily focused on the configuration and administration of network technology.

EMPLOYMENT HISTORY
